iPad for Commercial Real Estate March 6th

iPad has become the new standard for real estate practitioners. Commercial brokers are using this tool with both prospects to find and determine the best commercial properties available and also in marketing their listings. Jose I. Juncadella, SIOR will cover:

- Top applications for commercial brokers
- Searching for commercial properties at your fingertips
- Tips, tricks and top apps designed for commercial real estate brokers
- Using RCA MIAMI tools on iPad
- Much more...

Instructor

Jose I. Juncadella, SIOR
Principal
Fairchild Partners

A seasoned broker with over thirty years of commercial real estate brokerage experience and over two billion and a half dollars in sales and leasing volume. Mr.

Juncadella has experience in every aspect of commercial real estate including representation of both sellers and purchasers in office, industrial and vacant land as well as the investment sales, marketing and development of such properties.

He is one of only five SIOR Designees in Florida who holds an office and industrial designation.
